

YOU CAN BE A DIFFERENCE MAKER IN THE FIGHT TO DEFEND THE PREBORN AND MOST VULNERABLE IN MARYLAND

Please join Maryland Right to Life TODAY

- MDRTL opposes any **Abortion Amendment** which would enshrine abortion through birth as a "constitutional right".
- MDRTL opposes **Assisted Suicide** which puts the sick, elderly and disabled at risk of suicide.
- MDRTL monitors all new bills pertinent to LIFE in Maryland. We **support Pro-Life legislation and amend or oppose pro-abortion legislation** through expert legal and medical testimony and lobbying efforts.

Your voice matters! MDRTL has made it easy to reach your elected representative and say NO to a culture of death.

- Go to the **TAKE ACTION** tab at MDRTL.org and select campaigns to learn more and email a prewritten letter or call your representative. Legislators want to hear from YOU, the constituent.
- As bills move through committee, House and Senate, TAKE ACTION again upon receipt of emailed Action Alerts.
- Share Action Alerts with your Pro-Life contacts and ask them to join MDRTL today!

It's easy and takes only a minute! When you enter your address, your elected officials will automatically be pulled up. Phone calls are most effective and are typically answered by legislative aids who will only ask if you oppose or support the legislation. You will not be engaged in debate. With your help, we expect to send tens of thousands of pro-life messages that will change hearts and minds when it matters most - right before a vote!
