The Honorable Neil Parrott
Parrott for Congress
20009 Lindenhurst Court
Hagerstown, Maryland 21742

Dear Delegate Parrott:

National Right to Life is pleased to endorse you for election to the U.S. House of Representatives. You are committed to standing up for unborn children and their mothers in Congress and fighting attempts by Congressional Democrats to pass legislation that would allow unlimited abortion nationwide for any reason until birth. When casting their ballots, voters concerned with protecting innocent human life should note that...

- You oppose the use of tax dollars to pay for abortions. You support the *No Taxpayer Funding for Abortion Act* and appropriations riders like the Hyde Amendment, which limit taxpayer dollars from being used for abortions in many federal programs. The Hyde Amendment alone has saved more than 2.5 million lives since its first passage in 1976.
- You support the *Born-Alive Abortion Survivors Protection Act*, which would ensure that an infant born alive during an attempted abortion is afforded the same degree of medical care as any other newborn of the same gestational age.
- You oppose the so-called *Women's Health Protection Act*, an extreme pro-abortion bill that would enshrine unlimited abortion in federal law and eliminate existing protections on the state level including parental involvement laws.

We look forward to working with you in Congress. Thank you for joining us in building an America where the lives of unborn babies are protected and their mothers receive the support and resources needed to make life-affirming decisions.

Sincerely,

Carol Tobias
President
