The 2021 Maryland General Session is underway and there is a tidal wave of legislation which seeks to **incrementally expand abortion in our state**. (See the MDRTL Bill Tracker at [mdrtl.org/legislation](http://mdrtl.org/legislation)). The **TAKE ACTION** tab at MDRTL.org helps advocates like you send pre-written pro-life messages to committee members. MDRTL has sent over 30,000 messages per session this way - enabling us to win important battles for LIFE - with YOUR HELP.

1. To get started, sign up for email action alerts at MDRTL.org TODAY.
2. Go to the TAKE ACTION tab to view campaigns, which will be updated throughout session. Enter your address and your representative will automatically come up. You will be able to view a pre-written letter and phone script. Press send and a pre-written letter will be emailed from you, the constituent. To double your impact, follow up with a quick phone call. Just state your name, address and whether you support or oppose the bill in question. You will not be required to debate in any way.
3. Share Action Alerts with Friends, Family, Church Bulletins and Contacts

**Your voice WILL make a difference when it matters most -  
right before a vote!**
